In *Strategic Asia 2012-13: China's Military Challenge*, leading experts assess and forecast the impact of China's growing military capabilities. What are China's strategic aims? What are the challenges and opportunities facing the United States? How is the region responding to China's military power, and to America's policy of "strategic rebalancing"?

NBR's Strategic Asia Program, now in its twelfth year, is a major research initiative that draws together top Asia studies and international relations experts to assess the changing strategic environment in the Asia-Pacific.
