Brave New World Revisited (Chinese Edition) Aldous Huxley

Huxley clarified all the questions and doubts from the public after the publishing of his novel ""Brave New World"". He compared the ""Brave New World"" with the ""1984"" written by George Orwell. He also precisely predicts a diversity of political, environmental and scientific challenges that the human beings have to confront in a long period in the future. He offers his unique insights on these issues, too. A vast majority of his predictions have become realities so far.....
