Paul Copan

In today's postmodern world, believers more than ever before are faced with a host of objections to Christianity. Expert apologist Paul Copan describes these objections as "anti-truth" claims and with *"How Do You Know You're Not Wrong"* he provides a helpful resource with thorough, biblical answers to such regularly used objections as

- "Whatever works for you"
- "Just as long as it makes you happy"
- "All religions are basically the same"
- "Christianity is anti-semitic"

At the end of each chapter, he provides practical and easy-to-share summary points to help readers intelligently and effectively answer the challenges of their non-Christian friends and neighbors.
