Dan Griffin excerpts interviews with men who share their innermost lives and experiences with relationships. He draws from his own life with over two decades of recovery and ten years of marriage. Readers will learn to recognize how their ideas about masculinity have shaped who they are and how they approach their relationships

"For every man who has wandered through the entanglements of love, unwilling to ask for directions, and secretly hoping for a guide, Dan Griffin offers a clear and comprehensive road map. For any man serious about love and any woman who loves him, this book is a must."
