A Million Little Pieces James Frey

At the age of 23, James Frey woke up on a plane to find his front teeth knocked out and his nose broken. He had no idea where the plane was headed nor any recollection of the past two weeks. An alcoholic for ten years and a crack addict for three, he checked into a treatment facility shortly after landing. There he was told he could either stop using or die before he reached age 24. This is Frey's acclaimed account of his six weeks in rehab.
