Healthy Dog Food: The simple science of feeding your dog well Jessica Giada

Praise for this book...

"I love my dog and I want him to live a LONG and HEALTHY life. This was a great resource for someone like me. Thanks!"

"Feeding my dog well is something that I consider a priority. Thank you for breaking down the different options with commercial dog foods as well as including recipes that I can use when I'm making my own dog foods. Both were extremely helpful."

"I got this out of curiosity and now it's my go-to source for information on feeding my dogs!"

In this edition of the Kindle Quickread series, pet expert, Jessica Giada, is going show us the simple science of feeding our dogs well and how doing so results in a healthier and longer life for our pets.

Here Is A Preview Of What You'll Learn...

- How does paying attention to what I feed my dog help to extend his life?
- What is a dog's natural diet and how can I use that knowledge in my dog's meal plan?
- How do my dog's food needs change based on age and activity?
- Does my dog's breed make any difference in how I feed him?
- What foods should I **NEVER** feed my dog?
- What commercial dog foods are safe and healthy?
- What dog foods can I make myself?
- What signs should I look for in my dog's appearance (and waste) that can help me determine if I need to make a change in his diet?
- And much, much more!

What are Kindle Quickreads?

Kindle Quickreads are a series of short books that are meant to be read in one sitting. Each "Quickread" tackles just one particular subject. This series of books aims to give readers the encouragement, assistance and ideas they need to handle specific problems or areas of personal growth.

Kindle Quickreads are exclusive to Amazon's Kindle platform. They are not available for purchase or borrow in any other format. They may be downloaded on Kindle devices or read utilizing the Kindle app on your phone, computer or tablet.

Various talented authors have contributed to the Kindle Quickread series and our team continues to grow. Their talents and insights have helped thousands of people and we look forward to offering many additional books in this series over the coming months.
