WEREWOLF SHIFTER ROMANCE

This is a story of an aspiring writer named Rowena, who lives a normal life and is quite contented with living in Manhattan, New York. She is constantly haunted by her dreams of a man's silhouette. She feels as if she knows him and yet, she has no memory of him. She wakes up each time and finds the man tries to face toward her. Soon, she meets a guy named Daniel, who she becomes friends with. But later, he says he has developed feelings for Rowena but can't stay with her. Rowena develops an attraction to him too, and she is confused why he says they can't be together. One day, Rowena discovers that Daniel is a shape shifter. She is afraid at first, and won't believe this is happening to her. But after a few days, she realized she can't stay away from him and that she loved him no matter what.

Rowena discovers a painful past she can't escape, which could end her relationship with Daniel.
