3. Your hidden treasure (passion), with a “secret formula” I will share with you.
4. How much passion you have in your career, relationship, spirituality, finances and health, through a Passionate Attitude Open Heart Test (PAOHT) you will take.
5. Steps to prepare your resume, build yourself as a brand, search for a new job, have successful interviews, negotiate and start a new day every day!

“Your time is limited, so don't waste it living someone else's life. Don't be trapped by dogma – which is living with the results of other people's thinking. Don't let the noise of other's opinions drown out your own inner voice. And most important; have the courage to follow your heart and intuition. They somehow already know what you truly want to become. Everything else is secondary.” — Steve Jobs
