The Fathers Pope Benedict XVI

Let us now devote our attention to the Apostolic Fathers, that is, to the first and second generations in the Church subsequent to the Apostles. And thus, we can see where the Church's journey begins in history. Pope Benedict XVI

The Fathers of the Church exhorted believers in the face of persecution while fighting heresies and misunderstandings. They were theologians and philosophers, orators and pastors, leaders and problem solvers, martyrs and heroes.

Pope Benedict carefully explains the stories of their rich history and the vital role each one played in not only preserving the Church at the time, but anchoring the Church of today as well as the future.

Bring your faith to life with the spark of history as told by the Pope himself. Gain a fuller understanding of what the Church teaches and why through the critical efforts and experiences of our early Church fathers.

Saint Clement, Bishop of Rome . . . Saint Ignatius of Antioch . . . Origen of Alexandria . . . Saint John Chrysostom . . . Saint Basil...Saint Gregory Nazianzus...St. Maximus of Turin...and more.

These illustrious Church Fathers are the first and second generations of the Church following the Apostles. It is upon their backs that the Church's journey through history is established and solidified.

By defending the newborn Christianity to the point of death and explaining the content of the Faith in a language understandable to the masses, the Apostolic Fathers created a timeless anchor of faith that extends through the challenges of today.
