It all began with a phone call, late one starry night, between two friends. They agreed to a mutual exchange of letters: not electronic mail, mind you, but real letters, written with ink, sealed in colourful envelopes and mailed at the post office--with stamps. Now their imaginative correspondence, interwoven with snippets of poetry and uplifting quotes, has been compiled as an anthology: A Rainbow of Words. By opening its pages, dear Reader, you are invited through a doorway into a place of colour, wonder and reflection ... a place of enchantment. Along with our two correspondents, we hope that you will discover the joys that await you. Are you ready to open the first envelope?
