The Lillim Callina Chronicles: Volumes 1-3: Kill it with Magic, Hatter is Mad, and Fairy Tale J.A. Cipriano

This box set contains the first three novels in the Lillim Callina Chronicles: Kill it With Magic, The Hatter is Mad, and Fairy Tale.

Book 1: *Kill it With Magic*

It all started with a cheap piece of candy. Lillim Callina knew she shouldn't have eaten it, especially since it was sent by her demonic ex-boyfriend.

How was she to know that just one lick would have an ancient, unstoppable dragon kicking in her front door and demanding she help him take over the world? Or that it would get her stuck in the middle of a turf war between a werewolf king and a millennia old vampire?

So now, there's just one way out of this mess. Kill them all and let God sort them out. Then maybe, just maybe, she'll think about apologizing to her mother. Nah...

Book 2: *The Hatter is Mad*

Why did a billion year old god have to go and kidnap Lillim Callina's best friend right when she was just starting to get her life back together after Caleb "I'm-a-huge-jerk" Oznek left her without so much as a pity glance?

He must have known she needed to vent her frustrations on someone's face.

Armed with her trusty swords, Isis and Set, Lillim is going to track him down, even if she has to fight her way through an entire orcish horde, relive the worst moment of her life, and talk to her mother.

The only problem is, to stop him, she may have to forgive Caleb too.

Book 3: *Fairy Tale*

Lillim Callina knew, just knew, Kishi Al Akeer that was capital-T-trouble. Still, somehow, somehow, she let herself be talked into venturing into the heart of Fairy.

How was she to know that Kishi would upset the balance between the summer and winter courts and start a civil war that could threaten to unbalance Fairy's seat of power?

No, it was completely reasonable to expect that this would allow the Celtic death god Crom Cruach to rise and try to seize Fairy for himself.

Now the only way to save Fairy is to kill a death god. How hard can that be?

Readers who enjoyed *The Dresden Files* or *The Iron Druid Chronicles* will likely enjoy this paranormal adventure.

Interview with the Author

Q - So, what makes the Lillim Callina Chronicles series special?

A - The urban fantasy series is my take on the genre after a decade playing pen and paper RPGs. At its core you'll find a story about a young girl who must come to terms with not only her powers, but every kind of monster imaginable from vampires and werewolves to psychotic demons. I was once told this paranormal action adventure thriller was an over-the-top, insanely fast-paced, urban fantasy tale with EXTREME ACTION where you never quite know who is going to do what.

The Lillim Callina Chronicles books are a great mix of genres, set in a slightly dystopian fantasy world full of supernatural factions that keep things interesting.

Q - Do I have to read these books in order?

A - Not necessarily. While I recommend readers start with *Alone in the Dark* or *Kill it with Magic*. The series is designed in such a way that a reader could start with *Hardboiled* if they so choose. I have also been told that some readers actually prefer to start with *The Hatter is Mad*, although I'm not quite sure if that would work. The sequence of novels is:

- *Alone in the Dark (short prequel)*
- *Kill it with Magic*
- *The Hatter is Mad*
- *Fairy Tale*
- *Pursuit*
- *Hardboiled*
- *Mind Games*

Q - So, why should readers give these books a try?

A - Because the Lillim Callina Chronicles takes off and never stops charging forward! The books will give the readers a chance to connect with a girl as she struggles to be a hero and do the right thing even when every situation forces her to question herself and her choices.

If you enjoy books paced at hypersonic speeds and plots that will surprise you all the way until the last page, you'll enjoy this urban fantasy adventure series.

Thanks for reading!
