The LITClub Handbook: Transform Reading into an Experience (Volume 1) Ali Dent

The LITClub provides a fun environment to read the classics with your friends and family. With themed menus and ready-made book conversation and project guides, The LITClub makes it easy for you to start a club. The LITClub will hold your hand from start to finish. Developed by a 23-year homeschool veteran as a means for her dyslexic daughter to complete high school English without tears, The LITClub takes the fear out of teaching literature and adds pleasure to the experience with plenty of time to hang out with friends. You can stop there and enjoy The LITClub experience as an extra curricular activity or make use of the other tools provided in the book for a well-rounded English literature curriculum for a child of any age. There's no need to be an expert in literature to get the full benefit from The LITClub. Every part of the club is mapped out for you. • Part I tells the story about how the first LITClub began as well as the outcome you and your children can expect from your LITClub. • Part II explains the five tools available to the LITClub parent/facilitator and child including detailed explanations and samples. • Part III gives you ready-made materials to facilitate four LITClub meetings so that all you have to do is show up and enjoy an evening with your friends.
