A fresh and contemporary translation of one of the best loved and influential mystical texts of all time, *The Showings of Julian of Norwich* brings the message and spirituality of this 14th century mystic to 21st century readers.

Julian of Norwich, a contemporary of Geoffrey Chaucer, was an English anchoress in East Anglia. At the age of 30, suffering from a severe illness and believing she was on her deathbed, Julian had a series of intense visions of Jesus, which she recorded and then expanded on later in her life.

Her message for today's readers is simply this:

- She reveals the feminine face of the Divine and reminds us to see

God there.

- All our failings are an opportunity to learn and grow; that they should be honored, but not dwelled upon.
- God's love has nothing to do with love and retribution and everything to do with love and compassion.
- In spite of all appearances, all is well.
