## **A Land As God Made It: Jamestown and the Birth of America** James Horn

Although it was the first permanent English settlement in North America, Jamestown is too often overlooked in the writing of American history. Founded thirteen years before the *Mayflower* sailed, Jamestown's courageous settlers have been overshadowed ever since by the pilgrims of Plymouth. But as historian James Horn demonstrates in this vivid and meticulously researched account, Jamestown-not Plymouth-was the true crucible of American history. Jamestown introduced slavery into English-speaking North America; it became the first of England's colonies to adopt a representative government; and it was the site of the first white-Indian clashes over territorial expansion. As we approach the four-hundredth anniversary of Jamestown in 2007, *A Land As God Made It* offers the definitive account of the colony that give rise to America.
