A vampire recognized his mate when he found her, and he'd have her--even if he had to take her...

Hot vampires heroes, human women they are determined to claim--Captive by Night is a collection of novellas and full-length novels set in the fictional vampire town of Dardanos, Colorado. Where some creatures just live to bend the rules...Including vampires, werewolves, and one extremely sexy King of demons...

Four cousins, taken at once, and the consequences of that night for an entire family are more than any ever expected!

Captive by Night: A Dardanos, Co. Taken Collection includes:

The Blood King

Rydere, King of Dardanos, saw the young woman's death as a necessary sacrifice for his people. So many of his people had been lost at Taniss hands, her death was only fitting. He didn't have to like killing her, but he would do it.

Until his first taste of her blood made it clear to him she wasn't just a sacrifice...

The Seer's Strength

She'd never be able to trust a vampire! No matter how much he claimed she was destined for him...

Theodoric Sebastos had intended to kill the young woman he'd taken captive, but once he touched her he knew the truth.

She was his, and always would be. They were fated to be together--but now he needed to convince Mickey of that...

Live or Die

Cormac Jareth's family had suffered like no others at the hands of Leo Taniss. Surely the goddess demanded blood payment in the form of Leo Taniss's granddaughter, Jocelyn?

Cormac took one look at his intended victim and knew--the goddess had screwed him over again. Jocelyn wouldn't be his first act of vengeance. She'd be his mate...

The Warrior's Woman

Fight or flight--what real choice did she have?

Mallory Taniss would fight to protect her family, and when the strange creature in her kitchen threatened that family she vowed to fight him or die trying.

But he was no ordinary man...

Aodhan Adrastos was the strongest warrior of his vampiric race, and the woman before him wasn't just the granddaughter of his enemy--she was the mate he'd waited almost six hundred years to claim...

Awakening the Demon's Queen

Kindara was a healer who could not heal the one thing that mattered most--her heart. Her mate was lost--murdered nearly thirty years ago at Taniss hands. The only things she lived for now were her daughter and finding a cure for her dying race.

Rathan was the displaced King of Demons bent on revenge against the vampires. He got more than he bargained for when he kidnapped her and separated her from her daughter...

Plus, bonus book:

The Wolf God & His Mate

The vampire goddess Kennera had failed her people.

For three thousand years, their mournful cries had twisted her heart, made her imprisonment unbearable. Now that her captivity was almost at an end, she had a plan to save her Kind.

Even if it meant her death at the hands of the Wolf God.

Eiophon had had three thousand years to plan his revenge against the foolish goddess responsible for his captivity.

Once they were free, Eiophon would stop at nothing to make her pay...
