## Quinton's Legacy Ernie Jackson

Six years have passed since Quinton Stone Jackson transitioned back to pure energy and those years have not been easy for the Jackson family. Quinton's numerous visits from the other side brought about the powerful epiphany of knowing there truly is no death, yet this divine knowledge is tempered with the sad reality that he isn't here with us in a physical sense.

*Quinton's Legacy* shares more of the divine dichotomy as it details numerous mystical experiences the author has had along his journey, as well as stories shared by others of visitations from their deceased loved ones. This divine knowledge is uplifting, yet as in life, it is only part of the story. The author and his family share their personal struggles with losing beloved Quinton and give a broadened perspective on life. Join the Jackson's on their journey.
