## El ultimátum de Bourne Robert Ludlum

Durante un tumultuoso carnaval en los alrededores de Baltimore, dos hombres son convocados mediante unos telegramas como testigos de una rara matanza. Los telegramas van firmados por Jason Bourne, pero inmediatamente se dan cuenta de que no es él quien los cita sino el terrorista Carlos, conocido como Chacal, buscado en todo el mundo y enemigo mortal de Bourne, falso nombre que oculta la verdadera personalidad de David Webb, apacible profesor de estudios orientales, casado, padre de dos hijos y proóximo a la cincuentena. Carlos y Webb son enemigos mortales desde la guerra del Vietnam en que Webb no quiso participar en las atrocidades de la organización Medusa que aterrorizó a los norvietnamitas. Webb recobra la personalidad de Bourne para enfrentarse a Chacal en una lucha a muerte. Desde el Main a Washington, desde el Caribe a parís y Moscú, Chacal persigue a Bourne mientras éste va preparando su trampa mortal.
