Now in its Fifth Edition, **NMS Surgery** is a concise, outlined review of surgery. The succinct coverage of surgical subjects and the USMLE-format questions enable students to successfully complete their clerkship, prepare for the shelf/end-of-rotation exam, and study for USMLE.

This edition has been thoroughly updated and streamlined to focus on essential material. Questions have been revised to better reflect the level of difficulty of shelf/end-of-rotation exams. The book has a new two-color design with more illustrations and wider margins for notes.

Online access to the fully searchable text plus a comprehensive examination is available on thePoint.
