PATRICIA WELLS AT HOME IN PROVENCE: Recipes Inspired By Her Farmhouse In France

Patricia Wells

For the past fifteen years, Patricia Wells has been carrying on a love affair with a region of France, a centuries-old farmhouse, and a cuisine. Provence is uniquely blessed with natural beauty as well as some of the world's most appealing foods and liveliest wines. Wells's culinary skills have transformed the signature ingredients of this quintessential French countryside into recipes so satisfying and so exciting that they will instantly become part of your daily repertoire.

Here are over 175 recipes from Wells's farmhouse kitchen, including whole chapters on salads, vegetables, pasta, and bread. There are simple but imaginative "palate openers," such as Tuna Tapenade and Curried Zucchini Blossoms, and soul-satisfying soups, with such delights as Monkfish Bouillabaisse with Arolia, Wells's own brilliant interpretation of a Provencal classic. When it comes to meat and poultry, Wells offers earthy daubés, the slow-simmered stews so beloved by the French, and such melt-in-your-mouth delicacies as Butter-Roasted Herbed Chicken. You will savor Wells's fish and shellfish creations with recipes like Seared Pancetta-Wrapped Cod. And no meal would be complete without a delight from the treasure trove of desserts here, including Cherry-Almond Tart and Winemaker's Grape Cake.

Illustrated with famed photographer Robert Fréson's captivating pictures, *Patricia Wells at Home in Provence* is a book you'll want to revisit time and again.
