Black Bear Hunting: The Ultimate Reference Richard P. Smith

The BEST BOOK ever written about black bear hunting just got better! Six additional chapters have been added to this 2nd edition and new material has also been added to many of the other chapters. This book explains not only the best techniques for the hunter, it also describes the behavior and habits of the hunted. Loaded with practical advice from black bear hunting expert Richard P. Smith. It is the most comprehensive book on the subject. All aspects of bear hunting are covered in detail.

There is in-depth coverage of the most popular methods of baiting and dogging bears. All other hunting methods are also covered including spotting and stalking, calling, drives, hunting cornfields, hard and soft mast, fish runs, water hole ambushes and snow tracking.

There is also detailed coverage of field judging bears, shot placement, reading bear sign, trailing wounded bears, caring for your trophy, hiring a guide, the value of spring seasons and much, much more. The chapter on field judging black bears alone is worth the cost of this book. So is information about how to score on bruins that only visit baits after dark.

This book is loaded with color photographs to illustrate information covered in this ultimate reference to black bear hunting. (384 pages; 200+ color photos).

For digital distribution, this book was divided into 6 parts, which are also available through Amazon. Those 6 parts are Learning About Black Bears, Hunting With Bait, Hunting With Hounds, Hunting Natural Foods, More Hunting Know How and After The Kill & Into the future.
