Life & Times Thru My Eyes . . . : Coming Out With "Friends" Robert Seybold

My name is Bob, which I prefer over Robert William Seybold Jr. I wrote this book because I wanted my family and friends to know from my "mouth" that I am gay and was born this way. I had no choice in the matter. I have had to hide this from the people I love, afraid I would lose them once they heard from me personally. They probably have been in denial over my life, guessing and betting that they were right. It was and is my business, but I needed to let them know my side of the story. All my life I had had to hide the truth with employers, family, and friends. Coworkers included. I did not want to be fired or hated. Fear is a terrible thing! So I tried to make my life something special, which I accomplished by writing this book, Life and Times through My Eyes.
