This is the most controversial Book, containing complex shocking revelations, in the series of Books by the Author, wherein most difficult topics are excellently and diligently dealt with, exposing realities in politics, and non-dispensation of justice, with judiciary acting sans jurisdiction, ultra-vires the Constitution, denying natural justice, making a mockery of the 'rule of law', paying scant regard to United Nations Conventions on Human Rights. The range of cases and topics dealt with is indeed amazing making exhorbing reading. Commencing with his own exposure to politics, paying high tribute to minority Tamils in Sri Lanka, the Author brings out stunning prevalent reality. Makes startling disclosures on Sri Lanka's most controversial Presidential Election of 2010, and incarceration, as a villain, a Presidential Candidate, a trusted Army General, once hailed, as the 'best Army General in Asia', having led the country's armed forces to crush one of the most feared terrorists organizations, internationally banned, Liberation Tigers of Tamil Elam. The most difficult and delicate subject of 'judicial bias and disqualification' at highest levels of the judiciary is dealt with, including the controversy which reverberated on the endeavour by the Legislature to impeach a Chief Justice, whose husband, having held high profile political office, was impleaded in a dubious share scandal, involving the country's leading Savings Bank. Author incisively delves into an important case of abduction of a Tamil businessman, and the horrendous anonymous allegations of trading in human body parts, during the war against the terrorists, allegedly with Indian and Israeli connections. Author analyses real case studies, involving foreign investments, demonstrating classic instances of dubious judicial processes, including subversion of action, vis-à-vis, fabricated forged documents of public officers tendered to Court, involving questionable professional conduct, and indifference by law enforcement authorities, including Attorney General, Chief Law Officer of the State.
