Romancing Her Protector Mallory Monroe

In an interracial romance that tests the boundaries of love, Shay Cooper is a young woman soon to begin her career as a magazine publisher when she spends a thunderous night with hunky millionaire Matty Driscoll. Although it was supposed to be a one-night affair, and both accepted it as such, Shay finds herself in a bind and Matty comes to her rescue. Soon, she is unable to stop thinking about the man who would become her first and only love. Matty Driscoll has had his share of women, but when he spends a stormy night with Shay, he soon discovers that this young innocent is able to rock his world in ways that no other woman can. Matty and Shay find themselves drawn to each other in such a powerful, dynamic way that it overtakes them both. At first they believe it is their wonderful sexual connection that keeps them unable to get enough of each other, but then they quickly realize that it is their emotional connection, their love and concern for each other, that turns out to be their real attraction. But just when they are about to take their relationship to that next level, Matty's ex-girlfriend enters the picture with devastating news that forever changes the entire trajectory of their lives. And Shay has a secret too: she's pregnant with Matty's child. But the news he receives from his ex makes it impossible for her to reveal that truth to him. Years later, when Shay's magazine is in danger of going under and she is in need of a backer, Matty reenters her life to help her professionally. But when he finds out he has a son, and his son is in dire trouble, he is ready to move heaven and earth to have his son, and Shay, with him forever. But time changes things, and only time will tell if Matty and Shay's love is enough to withstand the drama, the obstacles, thrown in their path.
