Toward the Flame: A Memoir of World War I Hervey Allen

Considered by many to be the finest American combat memoir of the First World War, Hervey Allen's *Toward the Flame* vividly chronicles the experiences of the Twenty-eighth Division in the summer of 1918. Made up primarily of Pennsylvania National Guardsmen, the Twenty-eighth Division saw extensive action on the Western Front. The story begins with Lieutenant Allen and his men marching inland from the French coast and ends with their participation in the disastrous battle for the village of Fismette. Allen was a talented observer, and the men with whom he served emerge as well-rounded characters against the horrific backdrop of the war.

As a historical document, *Toward the Flame* is significant for its highly detailed account of the controversial military action at Fismette. At the same time, it easily stands as a work of literature. Clear-eyed and unsentimental, Allen employs the novelist's powers of description to create a harrowing portrait of coalition war at its worst.

Matthew Seifert:

Many people spending their period by playing outside along with friends, fun activity together with family or just watching TV 24 hours a day. You can have new activity to invest your whole day by looking at a book. Ugh, think reading a book can actually hard because you have to bring the book everywhere? It okay you can have the e-book, delivering everywhere you want in your Smart phone. Like Toward the Flame: A Memoir of World War I which is having the e-book version. So , try out this book? Let's see.

Kimberly Silvestre:

As a scholar exactly feel bored to help reading. If their teacher questioned them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's heart or real their hobby. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Toward the Flame: A Memoir of World War I can make you feel more interested to read.
