Apologia's advanced science courses allow the high school student to study independently while mastering in-depth knowledge through hands-on application of contemporary scientific concepts. With dramatically improved illustrations and photos, clear explanations, and enhanced readability, this completely revised and updated edition of *The Human Body* will prepare students for college-level science studies as well as life beyond the classroom. Every Apologia high school science course is designed to be vibrant, engaging, and academically rigorous while helping the student to develop critical thinking skills and a lifelong passion for exploring God's creation.

*I absolutely love your curriculum. This is delightful material. And your very evident love for our Lord makes it really powerful.*

Nurse

*Easy to read, yet contains a lot of advanced material.*

Medical Doctor

*Such a blessing, a complement to the rest of the science books Apologia offers. I'm a fan!*
