**Ariel: The Restored Edition: A Facsimile of Plath's Manuscript, Reinstating Her Original Selection and Arrangement (Modern Classics)** Sylvia Plath

Sylvia Plath's famous collection, as she intended it.

When Sylvia Plath died, she not only left behind a prolific life but also her unpublished literary masterpiece, *Ariel*. When her husband, Ted Hughes, first brought this collection to life, it garnered worldwide acclaim, though it wasn't the draft Sylvia had wanted her readers to see. This facsimile edition restores, for the first time, Plath's original manuscript -- including handwritten notes -- and her own selection and arrangement of poems. This edition also includes in facsimile the complete working drafts of her poem "Ariel," which provide a rare glimpse into the creative process of a beloved writer. This publication introduces a truer version of Plath's works, and will no doubt alter her legacy forever.

This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.
