BOOK DESCRIPTIONS:

IMPERFECT:

England, 1813. Lady Theodosia feels she has no choice but to marry a man she doesn't love. That is until she stumbles into a different universe — an astonishing, mystical forest inhabited by the Nextic, a peaceful people who live close to nature.

Ahuil is fiercely independent until he meets Theodosia. Cut off from his own people, he nurses a dark secret. But in Theodosia he sees someone he can trust ... and love.

Theodosia is convinced she's found paradise. But a great change is coming to Ahuil's world. Half-beings roam the ruins of an unknown civilization and a growing mist appears to be preparing to wipe out his people — forever.

Torn between her family and a profound love, Theodosia is haunted by a question she cannot shake — in the face of terrible danger, how much is she willing to risk for love?

BROKEN:

England, 1813. Lady Theodosia has stumbled into another universe — a mythical forest paradise. Valiant Ahuil has captured her heart but dark forces are quickly closing in. The half-beings are taking form and the ruins of their former civilization are rebuilding into dramatic cities that threaten to wipe out the Nextic people forever.

Torn between staying for Ahuil and dying and returning to a life without freedom or love, Theodosia is forced to choose her destiny. And as they run out of time, Theodosia must find the courage to try to save the Nextic — a power only she holds — and to convince Ahuil that the only option left to them ... the one he could never accept ... is worth it to save their timeless love.

ANew:

England, 1813. Just a month before, Ahuil and Theodosia fled from his dying world—an alternate universe where half-beings roamed and a deadly fog threatened to consume all. Then they returned to her time where, as lady and servant, they face their greatest challenge yet. Yet the memory of their love has never left them ... and the question of how they can finally be together haunts their days.

Then Theodosia discovers that her parents, the earl and countess of Helenshire, plan to marry her off once and for all to the handsome but vile Edward Merton. Not to mention that Mr. Merton has his own agenda ... he will make Theodosia his wife, no matter what it takes.

Caught between duty and being with the man she loves, she must find the strength to make an impossible decision—either sacrifice or defend her eternal love—with results that are nothing less than gripping, unexpected, and entirely satisfying.
