El conde de Montecristo: Ilustrado (Spanish Edition)

Alejandro Dumas

El conde de Montecristo: Ilustrado (Spanish Edition) Alejandro Dumas

El Conde de Montecristo se terminó de escribir en 1844, y fue publicado en una serie de 18 partes durante los dos años siguientes. Está considerada como la mejor obra de Alejandro Dumas. Se trata de una historia enrevesada con multitud de personajes, giros sorprendentes en la trama y moraleja final, al más puro estilo folletín, género en el que Dumas era un genio.

La historia gira entorno a la venganza de Edmundo Dantés. Dantés vive en Marsella y ve como el futuro le sonríe con un ascenso a capitán y un matrimonio feliz a la vista. Pero a causa de los celos y la ambición de otros, Villefort, Fernand y Danglars, es acusado de traición y enviado a la fortaleza de If, isla prisión de la que es imposible escapar vivo. Durante diez años Dantés está recluso en la isla, olvidado de todos. En su desesperación piensa en dejarse morir de hambre, pero el contacto con otro prisionero, el abate Faria, le da esperanzas; el abate piensa escapar cavando un túnel y Edmundo decide ayudarlo. Antes de que el túnel esté acabado Faria muere, confesando un último secreto a Dantés, la ubicación de un inmenso tesoro. Edmundo consigue escapar haciéndose pasar por el cadáver de Faria y se lanza a la búsqueda del tesoro que le permitirá comenzar su venganza tras sobrevivir a un encierro inhumano e injusto. Así empieza un periplo en que, actuando como un dios de la justicia, premia a los que le ayudaron y castiga a los traidores, escondido tras la identidad del Conde de Montecristo.

Traición, amor, venganza, riqueza, maquinaciones, turbios personajes, identidades secretas y secretos oscuros... ¿quién puede pedir más?
