**Mort (Discworld)** Terry Pratchett

*New York Times* bestselling author Sir Terry Pratchett makes Death a central character in *Mort*, his fourth sojourn to Discworld, the fantasy cosmos where even the angel of darkness needs some assistance.

When inept, but well-intentioned Mort gets only one offer for an apprenticeship—with Death—he can't exactly turn it down. But Mort finds that being Death's right-hand man isn't as bad as it seems—until he falls back to his old, bumbling ways.

With more than 80 million books sold worldwide, Pratchett has solidified his place next to Mark Twain, Kurt Vonnegut, and Douglas Adams as one of the top satirists of all time. *Mort* offers readers an unlikely set of heroes and a comical, yet poignant look at life through the lens of its antithesis.
