### **Rock Stars Don't Like Big Knickers**

Martha Bright is a feisty, stubborn, single mother who has just landed herself a job. While becoming housekeeper for the new owner of the 'Big House' in the Cheshire village where she lives, isn't her dream job, it will do for now. However, there is one major problem with it. Her boss isn't the woman who interviewed her, but Luke Mahoney, lead singer of the band Dirty Riches. The man who Martha lusted after years before, when they went to school together, and the man who is so hot that it petrifies her.

Luke is arrogant and sexy and finds it highly amusing that his flirting embarrasses Martha, but at the same time he's intrigued by her. She's feisty, stubborn and gorgeous and Luke finds himself wanting to spend more and more time with her. So, despite a shaky start involving a naked Luke and a mortified Martha, they start to grow closer and their friendship starts to develop into something more. But then everything changes with the arrival of Luke's gorgeous model girlfriend, Rachel. Luke's sudden change in attitude towards Martha, hurts her and she realises that he's just a typical egotistical, rock star and will never be anything more than her boss.

Pretty soon though, with the help of his bandmates, Luke realises that Martha is the right woman for him and sets about repairing their relationship. But, with Luke keeping a huge secret and Rachel determined to hold onto him, will he ever manage to prove to Martha that he's the right man for her. If he does, will he be able to keep the woman he actually loves or will Rachel get her way?

Rock Stars Don't Like Big Knickers, is full of humour, romance and secrets and will have you hooked with every turn of the page. Add in a strong, sexy woman, some hot band members and a Sex God of Rock and what more could you want to curl up on the sofa with – apart from your own Luke Mahoney.
