***One girl, one undercover cop, one dangerous gang...*** Thirteen-year-old Katrina is desperate for an adventure, something to numb her pain and loneliness. When Shrugs, a giant biker from The Traz gang, asks if she wants a ride, she makes a reckless, life-changing decision.

Vulnerable and grieving, Katrina becomes a target for the gang's abuse--and there's no way to escape. Until she meets Chad, an undercover cop with rich brown eyes, a gentle chuckle and a plan to rescue her.

Only one problem. Someone is keeping dangerous secrets from them both.

**\*This special School Edition comes with a teacher/student discussion guide at the back to encourage students and teachers to have open discussions about the choices teens make. It explores issues such as gangs, drugs, weapons and so much more.**
