Awesome Creations and Evolution: New Age Book of Revelations is a journey through different phases of the natural, cultural, religious, and historic evolution of mankind, based on a spiritual and intellectual platform of the English language. Author Kamran Pirnahad provides insight into major concepts that have affected the human species throughout its course of evolution in an effort to make everyone feel purposeful and worthy as living beings. The concepts discussed have been developed on the basis of a universal conscience, and, therefore, most views can be understood and adapted by other languages within their specific cultural environments. Perception and meaning have been derived from pure concepts that define the creation and, henceforth, the evolution of the species, and in particular, the human species. Pirnahad's goal is to empower readers with the proper knowledge, wisdom, and spirituality to overcome the sense of lack of values and emptiness, which deprives mankind from reaching a state of freedom and happiness in this world. Based on truthful, spiritual, and actual observations designed to achieve a higher status of the mind, Awesome Creations and Evolution attempts to explain the worthy concept of human existence.
