This beautifully illustrated, full-color book of step-by-step directions comes with a whole flock of quality craft supplies like wooden beads, fabric flower petals, and shiny sequins — enough stuff to make eight angels. With the variety of halo, hair, and wing options included, each angel is as adorable as the next, but no two are exactly alike. Best of all, once you've made all your ornaments, the package serves as a beautiful storage box, with eight little compartments perfectly sized to hold eight little angels.
