Alison and Tyler have the perfect family with the addition of Lucas, who's now six months old. Alison is besotted with her first born, but is also eager to return to work. Tyler worries she'll stretch herself to thin. They agree that she will return to work part time. Alison promises Tyler that she won't let herself get burned out.

Alison gets so swept up in work that she doesn't see that she's taking on too much. Tyler will need to take a firm hand to his willful wife's bare bottom to remind her to take better care of herself, and to remind her who is in charge.

Obedient Wife Happy Life is a standalone domestic discipline romance with an HEA. It contains graphic love scenes including domination and submission, and a man spanking his wife. Intended for adults only.
