"Circle of Wonder centers upon a world that is so dear to me as to be engraved on my memory forever. I was a boy of twelve when my parents and I moved to Jemez Pueblo, New Mexico in 1946. . . . It was a place of singular beauty and wonder and delight. My first Christmas there was beyond my imagining. . . . The night sky was radiant; the silence was vast and serene. In all the years of my life I have not gone farther into the universe. I have not known better the essence of peace and the sense of eternity. I have come no closer to the understanding of the most holy."--N. Scott Momaday
