Educational Psychology John Santrock

John Santrock's *Educational Psychology* is a well-crafted text that emphasizes the application of theory to classroom practice. With richly evocative classroom vignettes provided by practicing teachers, as well as the most case studies - three per chapter - of any Introductory text, Santrock's *Educational Psychology* helps students think critically about the research basis for best practices. Additionally, Santrock's hallmark *Learning System* organizes the content into manageable chunks to support retention and mastery, and makes it much more likely that students will have an engaging and successful course experience.
