## Five Green and Speckled Frogs: Handprint Books Kelly Martin

Brash and edgy, it's a downtown book for kids and parents with just a bit of attitude-and for everyone who's ready for some all-out ants-in-your-pants fun. Spiffy photo-manipulation and cutting-edge design team up with a nursery song every self-respecting child already knows and loves. And who can resist a menagerie of odd and endearing critters surrounded by hundreds of ants crawling up, down, on and off the board book pages? *THE ANTS CAME MARCHING IN* introduces a series of bold, up-to-the-second versions of classic children's songs and rhymes from Handprint.
