Close Encounters of the Fourth Kind : Alien Abduction and UFO's - Witnesses and Scientists Report

C. D. B. Bryan

A serious, explicit, riveting investigation into the bizarre world of UFOs & alien abduction. At its center is a 5-day UFO conference at MIT, under the chairmanship of a physicist from MIT & a psychiatrist from Harvard. For 5 days a mixed group of delegates asked the questions: Do UFOs exist? Is it possible to believe that aliens have landed on earth & abducted ordinary men & women to experiment on them? Bryan attended the conference & met, interviewed & listened to the testimony of psychiatrists, researchers, hypnotherapists, physicists, & folklorists. Includes the experiences of abductees who came forward to tell their stories in chilling detail.
