This book contains proven steps and strategies on how to learn to speak the German language in less than two weeks. The German language is spoken by at least 130 million people around the world as of 2014. More than half of those people speak it as their native and language, with the rest having adopted it as a second language.

My goal is to help you on having a new approach. This book lets you appreciate the beauty of the German culture as evidenced in their language. The chapters will give you appropriate examples that you will find useful once you learn to talk and converse in full German—all that, in a span of 10 days. Whatever reasons you have for desiring to learn German, choosing “German for Beginners: A Practical Guide to Learn the Basics of German in 10 Days!” offers you more than just an opportunity to learn the language; it is giving yourself a good headstart towards your goals.
