## **Improbable: Issues with the God Hypothesis** J. D. Brucker

“Does God exist?” - This question has plagued humanity since its beginning. From the primitive to the sophisticated, human kind has worshipped gods of every shape, gender, size, and creed. One god, however, reigns supreme: The God of Abraham. Giving birth to the three most prevalent monotheistic religions existing today, Yahweh has dominated the theological landscape. A recent intellectual movement has taken place, however, challenging the religious status quo. This movement has given many the right to approach the God hypothesis with skepticism. *Improbable: Issues with the God Hypothesis* critically examines the claims made by the religious, determining whether a belief in Yahweh is actually as reasonable as long believed.
