**FINAL EVENTS and the Secret Government Group on Demonic UFOs and the Afterlife** Nick Redfern  
For decades, stories of alien abductions, UFO encounters, flying saucer sightings, and Area 51 have led millions of people to believe that extraterrestrials are secretly among us. But what if those millions of people are all wrong? What if the UFO phenomenon has much darker and far more ominous origins? For four years, UFO authority Nick Redfern has been investigating the strange and terrifying world of a secret group within the U.S. Government known as the Collins Elite. The group believes that our purported alien visitors are, in reality, deceptive demons and fallen angels. They are the minions of Satan, who are reaping and enslaving our very souls, and paving the way for Armageddon and Judgment Day. In FINAL EVENTS you'll learn about the secret government files on occultists Aleister Crowley and Jack Parsons, and their connections to the UFO mystery; revelations of the demonic link to the famous "UFO crash" at Roswell, New Mexico, in 1947; the disclosure of government investigations into life-after-death and out-of-body experiences; and an examination of the satanic agenda behind alien abductions. FINAL EVENTS reveals the stark and horrific truths about UFOs that some in the government would rather keep secret.
