## **Religion and Politics in the United States** Kenneth D. Wald

The leading book in its field, *Religion and Politics in the United States* is a comprehensive guide to the political mobilization of religious organizations, their impact at the ballot box, and their influence on the framing of national agendas. Stressing the diversity of religion in the United States and its consequences for American political life, author Kenneth D. Wald argues that no one can fully understand how America governs itself without recognizing the profound influence of religion.
