“A pure delight! I fell in love with Jack instantly—and the storybook town of Capehart Bay.”  
—Lily Silver, Author of *The Rock Star Next Door*

**Lorna Lindstrom and Jack Young just got married in the tropics—and their grownup kids don't like it one bit...**

*Now the newlyweds feel like a couple of fools. Surely ending their impulsive “cruise ship” marriage is the best solution. Lorna's two kids and Jack's daughter sure think so. But their meddling backfires, prompting Jack and Lorna to rethink their plan. Don't they deserve a happy ending, after all?*

A professional organizer, Lorna is a little *too* proud of her spotless home. She fell in love with Jack's generous heart, but must he rescue every abandoned dog in town? Jack owns a popular, laidback nostalgia café, with menu items named for '60s and '70s songs. He feels right at home in Lorna's bedroom, but he might as well be a stranger everywhere else in her perfect house.

In a matter of days, Lorna puts her organizing skills to work to help Jack's elderly father, while Jack takes on a new rescue mission, this one involving Lorna's daughter. But even as their lives become more enmeshed, this “opposites attract” duo can't quite get in sync. Is it time to admit defeat and go their separate ways? Or can they find a way to make peace with their dueling quirks and have some fun with their second-chance romance?

**Scroll up to buy *The Jacks of Her Heart* now to experience this romantic tale with two very different people trying for a second chance at love.**

This is a contemporary romance in which 'opposites attract' when the owner of a local nostalgic music cafe and rescuer of stray dogs falls for a professional organizer. Will this second chance romance survive the resistance of their adult children and their own personal quirks?

**Virginia McCullough is the author of four previous women's fiction novels:** *Island Healing*, *Greta's Grace*, *The Chapels on the Hill*, **and** *Amber Light*.
