Marvin Gaye: What's Going On and the Last Days of the Motown Sound

Ben Edmonds, Ben Edmonds

Marvin Gaye: What's Going On and the Last Days of the Motown Sound Ben Edmonds, Ben Edmonds
Arguably the greatest soul album ever made, "What's Going On" established Motown star Marvin Gaye as a unique and maverick musical talent, whose determination and vision resulted not only in inspirational, pioneering grooves but, in the era of Vietnam and Civil Rights protests, an album that challenged America to take a long hard look at itself. In this book, the author examines in detail the making of this legendary work - initially rejected by Motown's quality control department - interviewing many of the artists and record company employees closest to the singer, to arrive at a deeper understanding of what the album means.
