The fortunate women of *Please, Sir* are not docile pushovers by any means. They make the rules and negotiate with their masters — though sometimes they also get off on being pushed just a little too far by men they know they can trust. It's as if the doms who enter their lives see the potential for submission in these women and want to arouse them more than ever before by providing an opportunity for them to let go. The editor of the bestsellers *He's on Top* and *Yes, Sir*, Rachel Kramer Bussel has chosen 22 stories that celebrate the thrill of submission by women who know exactly what they want. The characters in *Please, Sir* may be doing the bidding of their dominants, but the tops are just as much subject to the will of their subs, in their own way, by making them ache, moan, and quiver. With stories by Shanna Germain, Elizabeth Coldwell, Alison Tyler, and more.
