Word-Hoard: An Introduction to Old English Vocabulary, Second Edition (Yale Language Series)

Stephen A. Barney

Designed for introductory courses in Old English, Word-Hoard offers a vocabulary of some 2000 words drawn from the poems that beginning students normally read. Exploiting the natural curiosity we feel about our own language, Stephen Barney draws etymological connections, provides mnemonic aids, and introduces the student to cultural and literary concepts as well as words. This second edition of his valuable book has been completely reset in a format that improves its clarity and conciseness.
