Constantine the Emperor David Potter

This year Christians worldwide will celebrate the 1700th anniversary of Constantine's conversion and victory at the Battle of the Milvian Bridge. No Roman emperor had a greater impact on the modern world than did Constantine. The reason is not simply that he converted to Christianity but that he did so in a way that brought his subjects along after him. Indeed, this major new biography argues that Constantine's conversion is but one feature of a unique administrative style that enabled him to take control of an empire beset by internal rebellions and external threats by Persians and Goths. The vast record of Constantine's administration reveals a government careful in its exercise of power but capable of ruthless, even savage actions. Constantine executed (or drove to suicide) his father-in-law, two brothers-in-law, his eldest son, and his once beloved wife. An unparalleled general throughout his life, even on his deathbed he was planning a major assault on the Sassanian Empire in Persia. Alongside the visionary who believed that his success came from the direct intervention of his God resided an aggressive warrior, a sometimes cruel partner, and an immensely shrewd ruler. These characteristics combined together in a long and remarkable career, which restored the Roman Empire to its former glory.

Beginning with his first biographer Eusebius, Constantine's image has been subject to distortion. More recent revisions include John Carroll's view of him as the intellectual ancestor of the Holocaust (*Constantine's Sword*) and Dan Brown's presentation of him as the man who oversaw the reshaping of Christian history (*The Da Vinci Code*). In *Constantine the Emperor*, David Potter confronts each of these skewed and partial accounts to provide the most comprehensive, authoritative, and readable account of Constantine's extraordinary life.

Spent a free the perfect time to be fun activity to do! A lot of people spent their leisure time with their family, or all their friends. Usually they performing activity like watching television, about to beach, or picnic from the park. They actually doing same thing every week. Do you feel it? Will you something different to fill your own personal free time/ holiday? Might be reading a book could be option to fill your free time/ holiday. The first thing you ask may be what kinds of book that you should read. If you want to test look for book, may be the book untitled Constantine the Emperor can be excellent book to read. May be it is usually best activity to you.

Timothy Pace:

As a student exactly feel bored for you to reading. If their teacher inquired them to go to the library as well as to make summary for some reserve, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring in addition to can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Constantine the Emperor can make you really feel more interested to read.
