**Diving & Snorkeling Turks & Caicos (Lonely Planet Diving & Snorkeling Turks & Caicos)** Steve Rosenberg

Rising up from their shallow limestone banks, the Turks and Caicos Islands are set like jewels amid warm turquoise waters. Jump in and encounter tropical fish, sea turtles, wild dolphins, sharks, rays and maybe even humpback whales. Descend along bottomless walls lushly covered with corals and sponges. Explore deserted cayes, where the protected rock iguanas thrive. With miles of white-sand beaches, excellent visibility, unspoiled reefs, spectacular walls and abundant marine life, this British Crown Colony is an increasingly popular dive destination, yet it remains peaceful and easy-going. This book describes 44 of the region's best dive sites, with full-color photos throughout.

You'll get specific information on:

- dive site depth range, access and conditions
- common and hazardous marine life
- topside activities and attractions
- comprehensive list of diving services
- 10 easy-to-read maps
