As a scholar exactly feel bored to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that reading is not important, boring and can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this
