Give Yourself to the Rain: Poems for the Very Young Margaret Wise Brown, Teri L. Weidner

Margaret Wise Brown once observed, "To write well for children, one must love the things that children love." And write well for children she did -- with a deep love for and a keen perception of all things great and small in the world around us.

Collected here for the first time are twenty-four of Margaret Wise Brown's children's poems, which range in subject from jig-dancing pigs and the wild sound of the wind to the colors of a summer day and the joy of giving oneself to the rain.

With a foreword by noted children's literature scholar and Brown biographer Leonard S. Marcus, and illustrated with vibrant and sensitive paintings by Teri L. Weidner, *Give Yourself to the Rain* is a precious gift to be shared among children and adults everywhere.
